25th Annual Educational Conference  
Memphis, TN  
October 17-20, 2018**

## Call for Poster Submissions

The Association of Professional Dog Trainers (APDT) and the APDT Foundation is inviting submissions for poster presentation proposals from the academic (faculty, students, and researchers) and professional (dog trainers, shelter staff, veterinary staff, etc.) communities for the APDT Annual Conference scheduled in Memphis, TN, October 17-20, 2018. Research posters should highlight research in topics relevant to dog behavior and training including preliminary results, completed studies, summaries of relevant published research (for which you are the author), and position papers. The aim of the poster session is to facilitate dissemination of research results to the broader community of dog training practitioners. Example topics of interest include (but are not limited to) behavioral studies, effectiveness studies (i.e., training protocols, training curricula, shelter management protocols, etc.), and business case studies.

The APDT produces the premier dog training and behavior conference in the United States. APDT membership is over 5,200 members worldwide and consists of dog trainers, animal behaviorists, world-renowned speakers/authors, veterinarians, veterinary technicians, shelter personnel, and service dog trainers. Typical conference attendance is approximately 800 people. APDT members are committed to becoming better trainers through education and the annual conference is certified to provide continuing education credits to certified dog trainers, veterinarians, veterinary technicians, animal welfare administrators, and animal behavior consultants. For more information on the conference program please visit our web site at <https://apdt.com/conference/>
